

INDEX TO VOLUME 3, NOS. 1 TO 12, INCLUSIVE, 1941

ACKERMAN, EDWARD A.: New England's Fishing Industry. Reviewed by A. W. Anderson.
Nov., p. 13.

ALABAMA: Fisheries of. Jan., p. 9.

ALASKA:

Alaska fishery regulations hearings scheduled. July, p. 16.

Alaska salmon pack. See CANNED FISH TRADE.

Fisheries of United States and Alaska increase slightly in 1939. July, p. 11.

ALASKA SALMON INDUSTRY, THE: Seton H. Thompson. Sept., p. 3.

ANDERSON, A. W.:

New England's Fishing Industry. Edward A. Ackerman. Reviewed by A. W. Anderson.

Nov., p. 13.

Relative Seasonal Landings and Average Prices at Boston, 1940. Apr., p. 3.

ARMY:

Army establishes purchase centers for certain perishables. Apr., p. 10.

Use of fish in sixth corps army area comparatively low. Aug., p. 9.

ARMY CAMPS receive widely varying bids for fish. Sept., p. 6.

ATLANTIC SALMON: Bird control may remedy periodical scarcity of Atlantic salmon. Nov., p. 10.

AUCTIONING OF FISH begun at New Bedford. Oct., p. 14.

AUSTRALIAN imports of fishery products. Mar., p. 20.

BALDWIN, W. H.:

Results of Some Preliminary Experiments on the Effect of Washing and Blowing on the Mineral Content of Oysters. S. R. Pottinger and J. F. Puncochar. June, p. 3.

Some Preliminary Studies on the Relative Value of Methods for Indicating Quality of Shucked Oysters. J. F. Puncochar and S. R. Pottinger. July, p. 3.

Studies on the "pink" Discoloration of Commercially Shucked Oysters. J. F. Puncochar and S. R. Pottinger. May, p. 6.

BEAUFORT: Terrapin production at Beaufort, North Carolina, a record. Oct., p. 16.

BIRD CONTROL may remedy periodical scarcity of Atlantic salmon. Nov., p. 10.

Boston:

Boston fishery market news reports reach wide area. June, p. 10.

"Boston" Mackerel--Where they are Caught and the Principal Centers of Distribution.

John R. Webster. July, p. 7.

Fish receipts and prices. Jan., p. 7; Feb., p. 8; Mar., p. 12; Apr., p. 12; May, p. 13; June, p. 10.

Frozen fish. See FROZEN FISH TRADE.

Relative Seasonal Landings and Average Prices at Boston, 1940. A. W. Anderson.

Apr., p. 3.

BRITISH COLUMBIA:

British Columbia pilchard oil. Oct., p. 18.

British Columbia regulates exports and freezing of salmon. Aug., p. 25.

Canned herring. See CANNED FISH TRADE.

Facilities for cooperative study groups planned for British Columbia fishermen.

June, p. 15.

Fisheries of. Nov., p. 18.

Permits required for salmon exported from British Columbia. July, p. 17.

Salmon pack. See CANNED FISH TRADE.

BRITISH GOVERNMENT:

British Columbia to can herring for British Government. Sept., p. 20.
Canadian canned salmon prices set for British Government purchases. July, p. 23.

BURR, KEITH O.: Fish and Wildlife Service Engaged in Program to Increase Markets for Fishery Products. Ralph Russell. Apr., p. 6.

CALIFORNIA:

Fisheries of. Jan., p. 11; Feb., p. 11.
Mackerel. See CANNED FISH TRADE.
Sardines. See CANNED FISH TRADE.
Tuna. See CANNED FISH TRADE.

CALIFORNIA FISH COMMISSION issues 1941-42 pilchard fishing regulations. June, p. 14.

CAMPAIGN TO SELL FISH on Tuesdays is launched in New York City. May, p. 12.

CANADA:

Canada gains in recent shift of dried salt and smoked fish into the Dominican Republic. May, p. 22.
Canadian canned salmon prices set for British Government purchases. July, p. 23.
Canadian fisheries department and university promote fishermen's cooperatives. Feb., p. 7.
Canadian fishery magazine comments on cooperative education. Sept., p. 12.
Canadian fisheries station gives training to lobster cannery foremen. June, p. 16.
Canadian lobster advertising campaign successful. Mar., p. 10.
Dominion of Canada acts to promote canned lobster sales in the United States. May, p. 21.
Export permits for Canadian fish meal withdrawn. Nov., p. 29.
Fisheries of Canada, 1940. Sept., p. 11.
Fish most important canned item in Canada. Jan., p. 11.
Frozen fish. See FROZEN FISH TRADE.
Increased Canadian cod-liver oil production expected. Sept., p. 14.
Report on Canadian salt fish trade is issued. June, p. 15.

CHEMISTRY OF MENHADEN OIL, THE: Dec., p. 22.

CHICAGO:

Fish receipts. Jan., p. 10; Feb., p. 10; Mar., p. 12; Apr., p. 13; May, p. 14; June, p. 13; July, p. 15; Aug., p. 13; Sept., p. 10; Oct., p. 16; Nov., p. 16; Dec., p. 12.
Frozen fish. See FROZEN FISH TRADE.
Receipts of Fishery Products at Chicago, Illinois, 1940. Edwin C. Hinsdale. Feb., p. 3.
Sources and Seasons of Fresh Fishery Products Received at Chicago, 1940. E. C. Hinsdale. Oct., p. 3.

CHILEAN FISH LIVER OIL supplies not great. Sept., p. 14.

COD:

Mexican codfish market. Mar., p. 19.
Newfoundland cod fishery shows effect of war. June, p. 16.

COD FISHERIES, THE: THE HISTORY OF AN INTERNATIONAL ECONOMY. Harold A. Innis. Dec., p. 22.

COD-LIVER OIL:

Cod-liver oil imports from Iceland decrease in 1941. Oct., p. 18.
Increased Canadian cod-liver oil production expected. Sept., p. 14.
Suggestions for storing cod-liver oil. Mar., p. 10.

COLUMBIA RIVER: Salmon. See CANNED FISH TRADE.

COMMERCE DEPARTMENT studies sources of fish livers and oil in Latin America. June, p. 8.

- CONCHS: Large quantity of conchs received in the New York market. Feb., p. 9.
- CONTAINERS: Aug. Sup., p. 28.
- COOPERATION to be taught fishermen's union headquarters. Nov., p. 11.

- FISH LIVERS:
Commerce Department studies sources of fish livers and oil in Latin America. June, p. 8.
Fish liver imports from Mexico increase. Nov., p. 19.
Interest in livers continues. Feb., p. 6.
Potential sources of fish livers in Cuba and Vera Cruz, Mexico. July, p. 18.
Sharks most important source of fish livers in Cuba. Dec., p. 14.
- FISH OIL:
Chilean fish liver oil supplies not great. Sept., p. 14.
Commerce Department studies sources of fish livers and oil in Latin America. June, p. 8.
Determination of peroxide values for rancidity in fish oils. Dec., p. 9.
Union of South Africa produces liver oil. Oct., p. 19.
- FISH OIL PLANT needed in India. Oct., p. 19.
- FISH SCALER: Home-made fish scaler used by member of electricity cooperative. Sept., p. 5.
- FISH "SIFTER" TESTS continue. Aug., p. 8.
- FITZGERALD, GERALD A.: Have You Overlooked Fish? B. E. Nettleton. Oct., p. 7.
- FLORIDA:
No closed season on salt-water trout in Florida. July, p. 15.
Sales of sponges at Tarpon Springs, Florida, decline. Feb., p. 10.
- FOOD PROCUREMENT POLICIES of the defense program. Jan., p. 5.
- FOOD REQUIREMENTS: Government discusses nation's ability to meet its food requirements. May, p. 10.
- FOOD VALUE OF FISHERY PRODUCTS. Aug. Sup., p. 2.

FOOD VALUES IN FISH AND SEA FOODS: Dr. Hugo Nilson. Nov., p. 7.

FOREIGN FISHERY TRADE:

Australian imports of fishery products. Mar., p. 20.
British Columbia regulates exports and freezing of salmon. Aug., p. 25.
Canada gains in recent shift of dried salt and smoked fish into the Dominican Republic.
Canada restricts imports of fishery products. Jan., p. 18.
Canadian fishery imports in the United States below quota. Feb., p. 20.
Demand for canned salmon in Scotland exceeds supply. June, p. 22.
Dominion of Canada acts to promote canned lobster sales in the United States.
May, p. 21.
Export permits for Canadian fish meal withdrawn. Nov., p. 29.
Japanese fishery exports decrease. Jan., p. 19.
Mexican codfish market. Mar., p. 19.
Peruvian fish livers exported to United States. Nov., p. 29.
Philippine Islands canned fish imports. Jan., p. 19.
United States exports. Jan., p. 17; Feb., p. 18; Mar., p. 18; Apr., p. 18; May, p. 20;
June, p. 21; July, p. 23; Aug., p. 24; Sept., p. 20; Oct., p. 27; Nov., p. 28;
Dec., p. 22.
United States imports. Jan., p. 17; Feb., p. 19; Mar., p. 19; Apr., p. 18; May, p. 20;
June, p. 21; July, p. 24; Aug., p. 24; Sept., p. 21; Oct., p. 27; Nov., p. 28;
Dec., p. 22.

FREEZING AND COLD-STORAGE OF SALMON AND "SOLE" FILLETS. Maurice E. Stansby. Feb., p. 4.

FREIGHT RATES: Lower freight rates on frozen fish. Mar., p. 10.

FRESH AND FROZEN FISHERY PRODUCTS. Aug. Sup., p. 3.

FRESH AND FROZEN FISHERY PRODUCTS REFERENCE MANUAL. August Supplement.

FRESH AND FROZEN PACKAGED FISH: Production of fresh and frozen packaged fish in the United States, 1940. Sept., p. 8.

FRESH FISH: Output of fresh fish and manufactured fish products increases in past decade. Sept., p. 7.

FROZEN FISH: Lower freight rates on frozen fish. Mar., p. 10.

FROZEN FISH TRADE:

Boston. Jan., p. 13; Feb., p. 14; Mar., p. 15; Apr., p. 15; May, p. 17; June, p. 18;
July, p. 20; Aug., p. 20; Sept., p. 16; Oct., p. 21; Nov., p. 23; Dec., p. 16.
Canada. Jan., p. 15; Feb., p. 16; Apr., p. 16; May, p. 18; June, p. 19; July, p. 21;
Aug., p. 21; Oct., p. 23; Nov., p. 24; Dec., p. 18.
Chicago. Jan., p. 14; Feb., p. 15; Mar., p. 16; Apr., p. 16; May, p. 18; June, p. 19;
July, p. 21; Aug., p. 21; Sept., p. 17; Oct., p. 23; Nov., p. 24; Dec., p. 17.
New York. Jan., p. 14; Feb., p. 14; Mar., p. 16; Apr., p. 15; May, p. 17; June, p. 18;
July, p. 20; Aug., p. 20; Sept., p. 16; Oct., p. 22; Nov., p. 23; Dec., p. 17.
United States. Jan., p. 12; Feb., p. 13; Mar., p. 14; Apr., p. 14; May, p. 16;
June, p. 17; July, p. 18; Aug., p. 19; Sept., p. 15; Oct., p. 20; Nov., p. 21;
Dec., p. 14.
Frozen fish trade in 1940. Mar., p. 13.
Holdings of frozen shrimp and shrimp meat increase in Gulf States. Dec., p. 12.

FROZEN FOOD LOCKER PLANTS outlet for fishery products. Nov., p. 10.

FUR-SEAL MEAL output brings record price. Nov., p. 21.

FUR SEALS:

Fur-seal herd shows increase. Aug., p. 18.
Pribilof fur-seal take shows marked increase. Nov., p. 21.
Termination of the Convention for the preservation and protection of fur seals.
Nov., p. 20.

GILL NETS: The development of a preservative for gill nets. Dec., p. 9.

GLOUCESTER Small-boat Fishery Yields almost Four Million Pounds in 1940. R. H. Marchant. June, p. 6.

GOVERNMENT:

Government discusses nation's ability to meet its food requirements. May, p. 10.

Government wants fishery marketing specialists. May, p. 10.

Government wants more economists. Aug., p. 8.

GREAT LAKES: Fisheries of. Dec., p. 13.

GRIFFIN, ELDON: Oysters Have Eyes. Oct., p. 11.

GULF FISHERIES:

Almost fifty thousand persons find livelihood in South Atlantic and Gulf fisheries in 1939. June, p. 13.

Gulf shrimp products below normal. June, p. 13.

Holdings of frozen shrimp and shrimp meat increase in Gulf States. Dec., p. 12.

Production of Fishery Products in the Gulf States during 1940. C. Eldred Peterson. Mar., p. 5.

Production of hard crabs in Gulf States show large increase. Apr., p. 12.

HADDOCK:

Haddock and rosefish landings heavy. Oct., p. 12.

Landings of baby haddock detrimental to haddock fishery. July, p. 12.

HALIBUT:

First halibut of 1941 season arrive in Seattle. Apr., p. 13.

Pacific Coast halibut fishery to start April 1. Mar., p. 13.

Pacific halibut season closed June 30 in areas 1 and 2. June, p. 15.

Pacific halibut season closes September 14. Aug., p. 14.

HAVE YOU OVERLOOKED FISH? Gerald A. Fitzgerald and B. E. Nettleton. Oct., p. 7.

HERRING: Canned. See CANNED FISH TRADE.

Mild-cured. Sept., p. 18.

HERRING OIL:

New plant to produce edible herring oil in Sweden. Jan., p. 12.

New whale and herring oil factories established in Newfoundland. Aug., p. 15.

HERRING CONSERVATION: Shad and Herring Conservation in Maryland. Albert Woodfield. Mar., p. 3.

HINSDALE, EDWIN C.:

Receipts of Fishery Products at Chicago, Illinois, 1940. Feb., p. 3.

Sources and Seasons of Fresh Fishery Products Received at Chicago, 1940. E. C. Hinsdale. Oct., p. 3.

ICELAND: Cod-liver oil imports from Iceland decrease in 1941. Oct., p. 18.

IMPORTS: See FOREIGN FISHERY TRADE.

INDIA: Fish oil plant needed in India. Oct., p. 19.

INNIS, HAROLD A.: The Cod Fisheries: The History of an International Economy. Dec., p. 22.

IOWA: Fisheries of. Aug., p. 13.

JAPAN:

Japan using leather from marine sources. Oct., p. 19.

Japanese fishery exports decrease. Jan., p. 19.

- JUNEAU: Ketchikan and Juneau get market news broadcasts. May, p. 13.
- KETCHIKAN: See JUNEAU.
- KING CRAB supply reported sufficient to support an industry. July, p. 17.
- LABORATORY FOR FISHERY WORK: William and Mary College announces establishment of laboratory for fishery work. May, p. 12.
- LABOR DEPARTMENT reports increases in costs of living. May, p. 11.
- LATIN AMERICA: Commerce Department studies sources of fish livers and oil in Latin America. June, p. 8.
- LEATHER: Japan using leather from marine sources. Oct., p. 19.
- LIVER OIL: See FISH OIL.
- LOBSTER:
- Canadian fisheries station gives training to lobster cannery foremen. June, p. 16.
 - Canadian lobster advertising campaign successful. Mar., p. 10.
 - Dominion of Canada acts to promote canned lobster sales in the United States. May, p. 21.
- LOUISIANA: Fisheries of. Jan., p. 10; Aug., p. 12.
- MACKEREL:
- "Boston" Mackerel—Where They are Caught and the Principal Centers of Distribution. John R. Webster. July, p. 7.
 - Canned. See CANNED FISH TRADE.
 - Mackerel catches by small fleet continue in Massachusetts. Oct., p. 14.
 - Report released on the handling of fresh mackerel. July, p. 9.
- MAGDALEN ISLANDS:
- 100 fish cooperatives in Maritime Provinces, Magdalen Islands. June, p. 15.
- MAINE:
- Cooperative organizer among fishermen in Maine. Aug., p. 15.
 - Fisheries of. Jan., p. 8; Feb., p. 8; Oct., p. 13; Dec., p. 10.
 - Large Maine runs of striped bass consist of migrants. Oct., p. 13.
 - Sardines. See CANNED FISH TRADE.
- MANUFACTURED FISH PRODUCTS:
- Manufactured fishery products show 16 percent gain in 1939. July, p. 12.
 - Output of fresh fish and manufactured fish products increases in past decade. Sept., p. 7.
- MARCHANT, R. H.: Gloucester Small-boat Fishery Yields almost Four Million Pounds in 1940. June, p. 6.
